The presenting author must be registered to attend the **CCS2019** Meeting. Abstracts may be rejected unless the following guidelines are respected. The full abstract as presented in this template cannot be longer than 1 page for both oral and poster presentations. Do not use non-standard abbreviations in the title. Abstracts **MUST** be submitted electronically through the EasyChair platform. Abstracts submitted by fax or by email will not be accepted. It is important to follow strictly the format of this document. We strongly recommend to type the abstract over this template in order to ensure that all abstract contributions have the same style, i.e. one column of text written in Times New Roman 11pt (justified) with page margins of 1" (top-bottom) and 1.25" (left-right). You may include Figures and Tables in your abstract. Leave one line (11pt) before each Figure. The corresponding captions (Times New Roman 11pt) should follow straight after the Figures, without any line between the Figure and its caption.
